The Shepherd's Song (God With Us) by Hearts of Saints

On a cold, cold night so long ago
The skies rolled back, what a sight to behold
When an angel appeared to the shepherds and spoke
Glory

As they trembled with fear he said don't be afraid
Oh I come with good news, the Saviour is born on this day
And it echoed like thunder as every angel voice sang
Glory, glory, ohhh ohh ohh

They sing Glory to God in the Highest, hope and redemption have come
They sing Glory to God in the Highest, Emmanuel God with us

And from that night till now the joyous refrain
Oh it grows stronger still in the hearts of the Saints
And it cannot be silenced, oh we loudly proclaim
Glory, glory, ohhh ohh ohh

We sing Glory to God in the Highest, hope and redemption have come
We sing Glory to God in the Highest, Emmanuel God with us
Emmanuel God with us
